

# Quinte Conservation is hiring!

## Assistant GIS Technician

### JOB HIGHLIGHTS

- Work at the QC head office in Belleville
- Hourly wage of \$16.50 for a 35 hour week
- Work from May 7 to August 24, 2018

Do you want to be part of a team that works toward creating a sustainable ecosystem where people and nature live in harmony?  
Are you passionate about the environment?

## Come and join the QC Team this summer!

Application Deadline: February 2nd, 2018

### What the Assistant GIS Technician does:

- Create a land cover classification
- Digitize to produce large scale datasets
- Input sampling data into varying databases
- Follow prescribed methodology to generate a natural Heritage Database for Quinte Conservation's watersheds

### Do you have what it takes?

- Experience working with relational database systems and spatial databases
- Demonstrated knowledge of GIS principles and use of ESRI's GIS desktop software and techniques
- Knowledge of spatial data creation and spatial product delivery design and production
- Practical knowledge of GPS

### How To Apply:

Apply by email with cover letter and resume to HR Specialist Kathryn DiDonato, at [kdidonato@quinteconservation.ca](mailto:kdidonato@quinteconservation.ca). Include "Summer Jobs" in the subject of your email and the job title in your cover letter.

Position dependent on funding.

We thank all applicants for their interest. However, only those selected for an interview will be contacted.

Should you require any accessibility accommodation, please indicate this on your application and we will work with you to meet your accessibility needs.
