

# Little Bluff Conservation Area

Steeped in history and rich in natural features, this Conservation Area, located atop a 20 metre high limestone bluff, commands a panoramic view of Prince Edward Bay and the rugged shoreline of this southern reach of the county. Take the pathway to the cobblestone beach below and view the high bluff from a different perspective.

There are 1.5 km of trails at this 28 hectare (70 acre) site. This quiet shoreline is actually a barrier beach, effectively protecting a small wetland from the windswept waters of Prince Edward Bay. Here, Canada geese, mallards, great blue

herons, bitterns and Virginia rails find the protected habitat they require.

## A Little History

This area contains the remains of a grain storage and docking facility where schooners once loaded barley destined for Oswego. During the 1860s to 1890s, all of Prince Edward County reveled in the wealth realized from the prosperous “Barley Days.”

## Directions

From Picton, take County Road 10 (Lake Street) south to County Road 13. Turn right and follow County Road 13.
