

## Kingsford Weir

### *Dam Information and History*

The dam is located on the Salmon River at Kingsford Conservation Area, approximately .8 km upstream of the Hamlet of Lonsdale. Lot 36, Con 3, Tyendinaga Township, Hastings County.

The weir is a seasonal dam that is installed in the early summer and removed in the late fall. This dam creates an area for recreation. It was first installed in 1971.

### *Dam Safety*

Always exercise caution when boating, hiking or fishing near dams.

Stay off the dam structures unless the area is clearly marked for public travel.

Be alert to changes in water levels.

Read and pay attention to warning signs near dams.
