

Second Depot Lake Dam

Dam Information and History

This dam is located at the outlet of Second Depot Lake into Depot Creek. in the former Hinchinbrook Township, now the Township of Central Frontenac in Frontenac County. It is approximately 11 km northwest of the Village of Verona.

This is the primary dam, providing flood control and low flow augmentation for the Napanee River. It was constructed in 1958 when the Town of Napanee was experiencing both water quantity and quality problems in the river.

Dam Safety

Always exercise caution when boating, hiking or fishing near dams.

Stay off the dam structures unless the area is clearly marked for public travel.

Be alert to changes in water levels.

Read and pay attention to warning signs near dams.
