

**"If you get wet, get home,
get help, get warm, fast!"**

Watch out for the dam, broken ice and some heavy water flow.

**STAY OFF
THE
ICE**

Self Rescue Tips

If you fall through the ice....

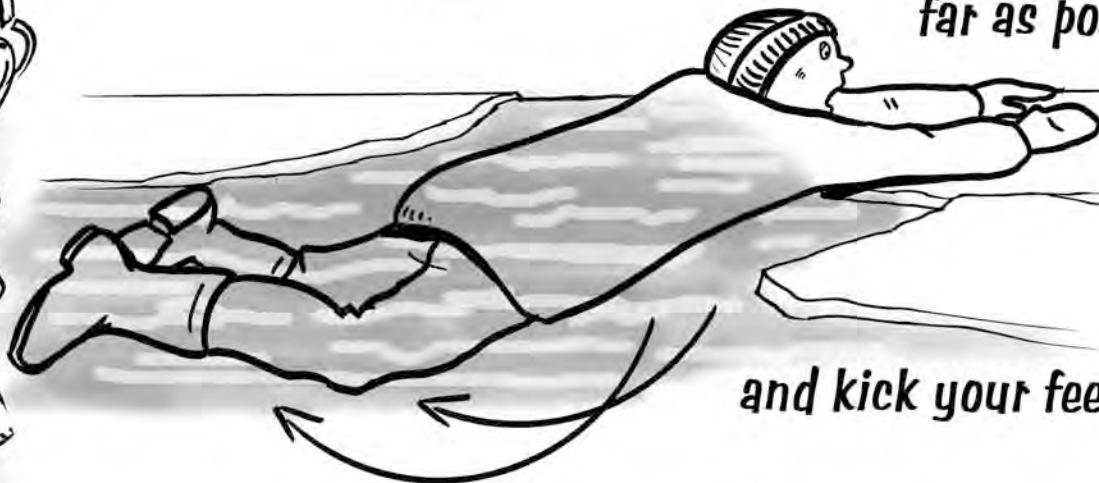

Call for help!

HELP!

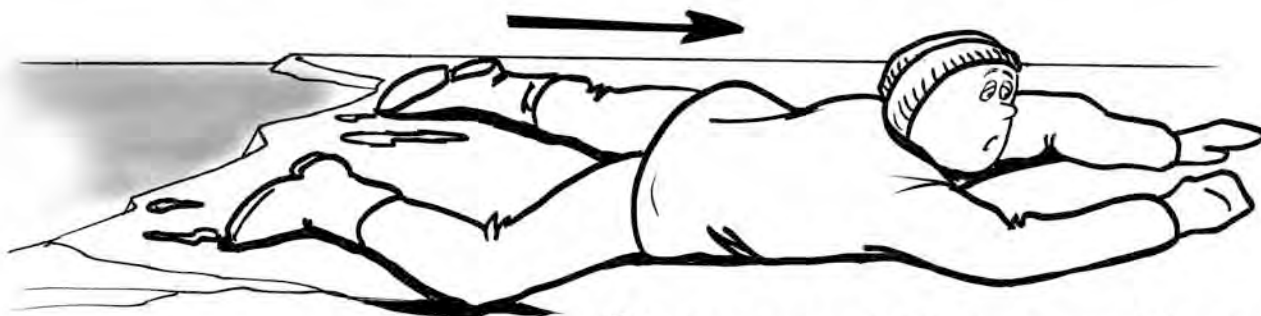

1. Don't panic

2. Reach forward on the ice as far as possible...

and kick your feet.

3. Slide or crawl flat across the ice.

STAY OFF THE ICE
